

Request for Reassessment

Australian Technical Competencies Statement Assessment

- If you have undertaken further training, have obtained further work experience or have additional evidence to support your application, you may lodge a request for reassessment. If you do not have any new evidence, your application will not be accepted. Please attach additional information that supports your request (e.g. employment evidence, training records).
- A request for reassessment of your skills assessment outcome must be lodged within 12 months of the written notification of an unsuccessful outcome. After this period, a new application must be lodged in full and paid for again.
