

Diversional Therapist

ANZSCO: 411311

Group D

About this document

- › The following Information Sheet is for your reference only and should be used as a guide to assist with your Skills Assessment application to VETASSESS. This information is subject to change.
- › Please note that a Skills Assessment of the qualification involves assessment of both the qualification level and content. Qualifications are assessed according to the guidelines published by the Australian Government Department of Education.
- › The employment assessment involves determining the skill level and relevance of the tasks undertaken.
- › Integrity checks may be conducted to verify the qualification and employment claims made in an application.

Job description

Diversional Therapists plan, design, coordinate and implement recreation and leisure-based activity programs to support, challenge and enhance the psychological, spiritual, social, emotional and physical wellbeing of individuals.

Occupations considered suitable under this ANZSCO code:

- › Recreational Therapist.

Specialisations:

- › Activities Coordinator
- › Activities Officer.

Occupations not considered suitable under this ANZSCO code:

- › Aged or Disabled Carer
- › Personal Carer
- › Personal Care Worker.

These occupations are classified elsewhere in ANZSCO.

Diversional Therapist is a VETASSESS Group D occupation

This occupation requires a qualification assessed as comparable to the educational level of an Australian Qualifications Framework (AQF) Certificate III or higher.

Applicants can fulfil the assessment criteria for this occupation in four different ways.

Qualification and employment criteria

Applicants must have fulfilled at least one of the following four criteria (1– 4):

GROUP D	Criteria for a positive Skills Assessment			
Post-qualification Pathways				
	Minimum comparable Certificate III or IV or higher AQF level	With highly relevant major field of study	Highly relevant employment duration*	
1	 Minimum AQF Certificate IV	+	 +	 1 YEAR minimum
2	 Minimum AQF Certificate IV	+	No highly relevant major +	 2 YEARS minimum
3	 Minimum AQF Certificate III	+	 +	 3 YEARS minimum
Pre-qualification Pathway				
	Highly Relevant employment duration*		Minimum comparable Certificate IV AQF level	
4	 +  Within last 5 years	+	With or without highly relevant major field of study + 	

* Highly relevant paid employment duration (20 hours or more per week)

Pathways 1–3

minimum years of post-qualification employment highly relevant to the nominated occupation, completed at an appropriate skill level in the five years before the date of application for a Skills Assessment.

Pathway 4

minimum 4 years of relevant employment required – Three years of relevant employment (can be outside the last 5-year period) in addition to at least one year of highly relevant employment within the last five years before applying.

A positive assessment of both qualification level and employment duration is required for a positive Skills Assessment outcome.

Qualification

AQF Certificate III or higher qualification. This includes qualifications assessed at AQF Certificate III, Certificate IV, Diploma, Advanced Diploma, Associate Degree, Bachelor Degree, Graduate Diploma, Master and Doctoral level.

This occupation requires a qualification in Diversional Therapy, including studies in Leisure and Health or Therapeutic Recreation.

Employment Tasks

Highly relevant tasks include:

- › Planning and implementing leisure activity programs for individuals in health care and in the community to assist in their social development, and promote their sense of wellbeing
- › Identifying individual needs through task analysis;
- › Evaluating and assessing clients' levels of abilities, interests, needs, strengths and weaknesses, and their ability to carry out a range of tasks and interact with others
- › Maintaining a knowledge of resources available within a facility and within the community
- › Organising leisure and recreational events
- › Assisting with training and supervising volunteers and staff
- › Providing information on available support resources within the local community
- › Encouraging and supporting clients to take part in activities suited to their particular needs and interests
- › Adapting programs to suit individual clients' needs, interests, skills and abilities.

Employment Information

Diversional Therapists usually work with people in aged care, who have physical or intellectual disabilities, or mental illness, as well as people undergoing medical treatment or rehabilitation from injury or surgery. They liaise with other health care professionals about the needs of their clients and discuss their clients' interests and help them to find activities that appeal to them. They organise outings and activities for their clients, coordinate these activities and assist their clients in managing their lifestyle choices.
